

Family Faith Formation Program 2025-2026

***“The family is the place where each of us first encounters love.
A family that is rooted and united in Jesus and that has experienced His love
will be a shining example of evangelization and mission.”***

~ You Will Be My Witnesses 26

Greetings in the Lord!

We are excited to share with you about our Family Faith Formation Program 2025-2026 at St. Mark's.

This program is designed to equip parents with the knowledge, resources and tools necessary to form their kids in the faith at home. It provides the space and means for families to be strengthened and grow deeper in their own relationship with God. **That is our main goal, to walk with families as they grow in knowledge of the faith, experience God's love in prayer, and integrate the Catholic culture in daily family life.**

The program has 4 components:

1. **Parent** session with guest speakers for each topic
2. **Kids** catechesis by grade level in the classrooms
3. Trained **catechists**
4. Solid **curriculum** and easy-to-follow At-Home-Lessons Packet

At St. Mark's we add 2 special components: Prayer time in Adoration for parents and the presence of the Religious of Pro Ecclesia Sancta

It is a blessing that this year our program can contribute to the third year of the **Archdiocesan Synod implementation, which highlights the call of all parents as primary educators of the faith of their children.**
